CABINET HOLDS FIRST MEETING UNDER HOOVER

New Administration Confronted with Important Pressing Business

REVOLT DISCUSSED

President Decides To Permit Curtis To Attend All Sessions

WASHINGTON March 8—President Hoover met with the cabinet for the first time to find that the situation is already complicated with several new problems of a national and international nature.

The new departmental chiefs were more than discussing their meeting, they left the White House with revolution rising in Mexico and American forces mobilized again. It was a similar situation to a larger proportion than is usually the case at the outset of an administration.

Reports on Revolt

Frank J. Kellogg, the veteran secretary of state who is holding over until Henry L. Stimson arrives from the Philippines, went to the meeting with last minute reports on the situation in Japan where fighting has started and there are prospects that some of the bullets may end their way across the Rio Grande into El Paso. He also had with him the request of Mexican Ambassador Teller for a permit to ship arms and munitions into Mexico for use of the federal forces.

Secretary of War Good reported on the mobilization of troops planes, artillery and armored cars along the border ready to invade Mexico should the lives of American citizens become endangered.

Herb Moves Up

Hoover who twice a week for the lower end of the cabinet table in a chair labeled "Secretary of Commerce" moved up the seats to the head of the table as he called a cabinet meeting, or his on the first of the new administration.

There were three old faces around the table—Secretary of the Treasury Mellon, Secretary of Labor Davis and Secretary of State Kellogg. The others were getting their initiation into the mysteries of running the government.

At the opposite end of the table from President Hoover was Vice President Curtis who will attend cabinet meetings regularly. The idea of having the vice president present was conceived in the Harding administration but abandoned by Mr. Coolidge. Curtis, however, will make his contribution to the cabinet on his own merit and Mr. Hoover has revived the custom.

POTTER TO FIGHT ANY ATTEMPT

To Remove Him from Office

CLEVELAND March 8—With the investigation still going forward, a third member of Cleveland's city council today was under indictment by the county grand jury charged with using his influence as a council man for graft.

William E. Barron Hill, Potter's latest councilman to be drawn into the inquiry is charged with being and accepting a \$50 bribe from Jim and Virgil Wimer building contractors in order to use his influence to procure tax contracts for them.

Another count in the indictment against Potter of profiting personally on a deal involving an electric office.

Meanwhile the county grand jury is said to be continuing its examination of all land deals in which the city has been interested in recent years. Tisten G. Scholes former councilman is under indictment for all real estate in a purchase in the lot of two playground sites for \$55,000 in which real estate appraisers have said is almost double the value of the property.

Prior to this Thomas W. Fleming never counseled him in any matter but he had been advised of his rights. The report on just the trial of the Wimer case of the court in the future to go to the Ohio National Life Insurance Co. office in Columbus building.

At the same time the reporter worked for the Star rate him as a man but he had been advised of his rights. Both robbery report were entered in the book for that purpose at headquarters. Last Thursday he showed the Star.

In a big reveal at a Columbus newspaper with circulation in Marion did not care the reporter who he was burglar or the burglar he had not been advised of his rights. Both robbery report were entered in the book for that purpose at headquarters. Last Thursday he showed the Star.

Correct Pronunciation
of the Family Name

SOME time ago it was required of
the publishers the correct pro
nunciation of the family name in
their best selling novel. I spoke with
Mrs. Briscoe. The author H. W.
Fleming wrote from East Suffolk
where he is just now finishing an
other book that the name is pro
nounced "Gester". Other and conflicting
information from Mr. Flemming in re
gard to Suffolk indicates that the
word "Wholly" is pronounced with
a short "o" like bulk. Still the
maximum coherency is pronounced with
the "o" in the double word
for look or room.

Lydia E. Pinkham's Vegetable Compound

Lydia E. Pinkham's Vegetable Compound is a wonderful medicine at the Change of Life. I would get blue spells and just walk the floor. I was nervous, could not sleep at night, and was not able to do my work. I know if it had not been for your medicine I would have been in bed most of the time and had a big doctor's bill. Women would only take your medicine they would be better."—Mrs. Anna Weaver, R. F. D. No. 2, Rose Hill, loc.

Crawford County Jury Reports In Favor Of Defendant

BRINGS SUIT IN RESTAURANT DEAL

Nevada Man Claims Proceeds of Business Are Misrepresented

GIVES MORTGAGE

Note of \$1,581 Secured by Claim on Business

CRAWFORD March 8—A verdict in favor of the plaintiff was returned by the Crawford County jury in a civil suit in the case of Harry Campbell against W. B. Fruendt of Nevada late yesterday afternoon. The verdict was returned after the jury had been out for three hours.

The suit resulted from the issuance of a promissory note for \$1,581 taken by Fruendt of Nevada by Campbell formerly of that place secured by a hotel mortgage on a restaurant owned located in Nevada. Campbell's defense was based on the grounds that Fruendt had defrauded him by reporting that his daily sales in the restaurant during the time Fruendt was in control averaged \$60 a day. Campbell testified during the hearing, that the daily business was considerably less than it had been represented.

The plaintiff was represented in E. J. Myers and Proudfit, by Prosecuting Attorney C. L. Kuhn, both of Richland county and Attorney W. J. Schenck of Bucyrus.

WIND BLAMED FOR AUTO ACCIDENT

Mt. GILEAD MAN INJURED WHEN CAR OVERTURNS, MACHINE DAMAGED

MT. GILEAD March 8—William Palmer, an employee of the Mt. Gilead National Bank, sustained two broken ribs when his car overturned near the south corporation line here yesterday morning about 1 o'clock. He and a companion Kyle Shaw were returning from Columbus. The strong wind, which was blamed for the accident, struck the top of the hill south of here, and as the car started down the hill, turned and overturned. His companion was uninjured.

Palmer was taken to the home of J. H. Days where he was given medical attention by Dr. A. O. Richards. The car was brought to Mt. Gilead by the Auto Inn garage. The car struck a telephone pole before overturning, and the front end was broken and the left rear fender smashed in addition to the slight damage done to the top of the car.

Bucyrus Theater Guild Closes Season's Program

BUCYRUS March 8—The play production season of the Bucyrus Theater guild closed with the presentation of three one-act plays presented under the direction of Mrs. Raymond D. French Thursday night at the high school auditorium. The plays which included "Twelve Pounds of Luck" by Louis M. Baillie, "The Monkey's Paw" by W. W. Jacobs and "Thurday Evening" by Christopher Morley contained many clever roles which were given in splendid form by those participants. Edwin Gehrhart as Harry Sims, gave a fine portrayal of the man who understood women in "The Twelve Pound Look" as well as Katherine played by Marjorie Smith, first wife of Sir Harry who left his luxurious home to become a stenographer and to call her life her own. The long suffering second wife was very ably played by Helen Wink who, face to face, comes to wear a "Twelve Pound Look" the parts of the goads of life by the first wife for her liberty when she could find no sympathy for a typewriter. Schucker takes the place of tomb, the latter a wish made with the character of "Monkey's Paw," who holds him in harm's way, allowing three wishes to the owner made regardless of a warning of a former owner of the paw, is made by Mr. White. E. N. Durfee, who hopes to clear the mortgage on his modest home in a wish for 200 pounds. He wishes to grant it in the form of a compensation paid by the company to whom it is only son of Mr. and Mrs. White. Leuml Mills, who is killed in the employment of the company on the night of the wish is made. After much grief over the loss of their only

child, Mrs. White remarries the monkey, a raw and rude character who band to wish the son alive a knife being held on the door immediately after the wish is made by Mr. White. His haste is unable to restrain the door and he is cut to the bone.

Mr. French's direction of the play was excellent and the audience enjoyed the program.

Concluding Program—The story of "Thurday Evening" is a comedy of errors in which the mother of the family, Mrs. French, is unable to get rid of the monkey that has been sent to her by her son.

For all services, etc., the returns were about the same as the trouble of the production.

KALIOTON March 8—A two month-old infant died from suffocation.

Mr. and Mrs. M. G. Geiger of the town were the parents of the child.

Mr. and Mrs. E. F. James, of the town, were the parents of the deceased.

Mr. and Mrs. O. J. Devel, of the town, were the parents of the deceased.

Concluding Program—The story of "Thurday Evening" is a comedy of errors in which the mother of the family, Mrs. French, is unable to get rid of the monkey that has been sent to her by her son.

For all services, etc., the returns were about the same as the trouble of the production.

FUNDS ARE PLACED IN REGULAR BANKS

Vinoplane Meets With Approval at First Performance Here

Money Was Illegally Deposited by Bert Buckley

COLIBRI—Mar. 6.—The \$135,000 of cash which was deposited in 11 bank accounts in parts of the state by former state treasurer Pe. T. P. Purdy has been withdrawn from those banks and placed in another account according to information available here. Star. The sum is \$100,000 less than the amount deposited in the 11 banks in the Lehigh Green State Bank.

With the withdrawal of the funds, the total sum in the bank holds which amounted to about \$1,200.

The announcement was made at the inspection of several of Buckley's bank accounts held in the name of the 25-year-old man who recently was discovered as an off-the-wall son of Monroe. The maximum that can be taken out is 25 per cent of the deposits and a loss of \$5,000.

SEE STEWART HEAD OF BIG OIL CONCERN

Combination of Sinclair-Stewart Interests Looms Today on Wall Street

NEW YORK, March 8.—Formation of a gigantic oil concern by a combination of the Sinclair and Stewart interests, resulting in the Standard Oil Co. of Indiana from which the lighting colloid has just been ousted, was seen in Wall Street to day as the result of the turn of events in the affairs of the Riddle controlled Indiana company.

Through joint operation of the Sinclair Pipe Line Co. and the Sinclair Grade Oil Purchasing Co., Harry L. Sinclair and Robert W. Stewart have been closely associated in the petroleum industry in recent years. Pooling of their interests and the probable inclusion of two or three more large independent oil concerns in a new \$100,000,000 combination may be the next important move in the oil world according to well informed financial circles.

Measuring the energy consumed in industry, English scientists found that the task measure requires the use of light and the weight of the hand

the average cost of each American trip to Europe including passage, rail hotel charges and spending money is in the neighborhood of \$1,000 although many tourists do not spend half this amount.

JERRY ON THE JOB

A black and white comic strip panel. On the right, a man with a mustache and a bowler hat, identified as Mr. Grimey, stands in profile facing left. He is wearing a dark coat and a bowler hat. In front of him, a small, white dog sits on a circular rug. The dog has a sad expression. A speech bubble from Mr. Grimey contains the text: "AT 9:30 I PHONED A SWELL EXCUSE TO MR GRIMEY ABOUT BEING LATE." Another speech bubble above him contains the word "NEA?".

Who not. Will if you really want to hear I waited out the club for I don't know how long. Harriet was delighted. I tell you she immensely had the glint in her eye. How silly of you she commented with a smile.

Instead of that I expect a friend to go gallivanting with that fellow Sutherland! His jealousy filled her with this. I do hate jealousy—and jealous people she said firmly. There's nothing I despise more.

Oh isn't there. Well it's your fault. And I should like to know who you went to bed. You weren't in your cabin at all. Who told you that?

Nobdy. I knocked at your door at 30 and there was no answer. So I peeked in the shade was empty.

Am I the Harriet said. Supposing I'd been in bed and asleep I shouldn't have minded.

No doubt. But I should. What did you want with me in the middle of the night?

To talk to you. I feel I must talk to you.

He made this plaintive move with a smile insinuating air that was irresistible to Harriet—or nearly so. Never had she heard a male voice looking so nice.

You don't look very nice this morning she observed judicially. It's your hair. You're getting it and so far for that necklace you've chosen.

Harriet. He stood up. When can I talk to you?

What was it that was so desperately urgent that you wanted to see me about it in the middle of the night?

You know.

She did.

I thought we might need each other.

Look here' she said. I've no time to watch you fooling about the lush in this style. Why can't you say what you mean. Did you want to talk to me or to his mother? Let's get it over.

Both.

Love's Awakening

The Heart Story of a Woman's Lasting Affections

BY ADELE GARRISON

It was now midday. I'll start up the chunks as fast as I can be promised. It won't take long.

He settled down in his chair, lit his pipe and waited at it for a few seconds the inevitable prelude of speech with him.

The result of this is he can have had almost as long a time between drinks as the Carringtons in the corner. The old King of France is a rotter as far as his personal life is concerned but he has been a good king and the strong arm features have held pretty well during his reign. His son, the King himself, is not so bad but he has everybody else in the country to look after him. That little thing has saved his life so far I'm afraid I am losing my pep. I knew all this, knew what those names of his cousins would do when they found him, and yet I've been sitting back with my knitting and the idea that the country is so big that they can't catch him.

But as I sat the last of the oranges down the next in line. He'd have his cousin's throat years ago if he could have gotten away with it but they know him over there and watch him constantly. And since the boy's been over here he's surely played in luck. It isn't often that a prince of the blood can drop out of sight for as long as he has. I'm amazed at that he has a confidant in court who will let him know if his son, and his invalid brother, die off. But he has everybody else in the country to look after him. That little thing has saved his life so far I'm afraid I am losing my pep. I knew all this, knew what those names of his cousins would do when they found him, and yet I've been sitting back with my knitting and the idea that the country is so big that they

can't catch him.

He made his first visit once.

Mr. Undrained threatened to do but he did not finish the sentence.

If you can bring yourself to believe that elaborated comedy lies of yours for a few moments Harry, Lillian declared, "and get down to cases. Dodge and I may have a chance to get to bed tomorrow—or rather today. Look at the clock old dear."

Her husband eyed the clock contritely. His hands pointed to an hour.

He made his first acquaintance.

You make that face just once again.

Mr. Undrained threatened to do but he did not finish the sentence.

Ohio Choir To Appear

TO GO ON EUROPEAN TOUR

in Farewell Program

MACK ROY
THE Dixie Weston orchestra, one of the outstanding vocal organizations of the country which broadcast only once a week on National Broadcast, will leave Saturday over the WIZ network of stations at 9 o'clock Saturday afternoon. Walter Dunn, director, says he has for the first time ever broadcast from east coast to west Saturday night, will introduce 16 choruses with a bit of explanatory talk. It was at Mr. Dunn's insistence that the choir undertake European tour this winter in spite of further laurels abroad.

The Dixie Weston orchestra consists of 16 voices carefully chosen from a special training school in New York for concerts before embarking on the European tour. Its final radio performance Sunday

Evening in the future, for all listeners, is to be a special affair for the 16 vocalists.

WAR SONGS FEATURE OVER COLUMBIA

THREE hours of Columbia's "Crest of War" will be heard every day at 10 o'clock Saturday morning at 10 o'clock Sunday morning. Arthur Price, with Arthur Price as guest, will introduce 16 choruses with a bit of explanatory talk.

Over the WIZ network at 10 o'clock Saturday morning, Dr. S. Parker Culman will address his radio congregation on "The Brief Day and the Coming Night."

Discussing the part which the conception of the duty plays in the lives of men, Dr. Daniel A. Polan, will conduct the Young Peoples Conference over the WIZ network at 10 o'clock Sunday afternoon. "God You Worship" is the subject of the sermon.

MODERN CLASSICAL NUMBERS SPURRED

Modern and classical musical numbers will be blended in the program to be offered by the Anglo-Persians over the WIZ network at 6 o'clock Sunday night. The Triumphal March from Verdi's "Aida" will be one of the program's vivid points.

SOLISTS FEATURERED

SATURDAY NIGHT
GEOFFREY BAKER, world famous basso and little symphony director, Pierre Mathieu, first oboe of the New York symphony and more recently of the Paris Opera company, will be the featured solists in the nation wide symphony concert to be broadcast as the General 11th hour over the WIZ network of the NBC system at 9 o'clock Saturday night.

FAUDIER MUSIC WILL BE PLAYED

Owing to their previous popularity a request review of Sir Harry Landers' spirited Scottish songs will be played by the Faudier Strike orchestra in its weekly broadcast at 10 o'clock Saturday night over the WIZ network of the NBC system.

JUST "OLD FOLK"

Board agrees Girl Didn't Teach
Charleston to Pupils

ST. CLAIRSVILLE, March 5.—A class of White Oak, near here, got back into complacency today after the 18-year-old teacher of the one school and the Charleston had faced into the limelight for a short time yesterday.

The hubbub was occasioned when 15 residents of the village signed a petition asking dismissal of Miss Anna Timmons, 19, village school teacher, because she taught her pupils in Charleston.

Miss Timmons, who, a year ago, graduated from Muskingum college, at a recent meeting of the school board declared the dance was not the reason but "Old Folk" shuns the dancer also testified that she did not dance in Charleston. She said that the "dancing lessons" were a form of physical education.

Members of the school board voted with her, and the charges were laid to the hamlet of some 20 families, dropped back into its quiet life.

"O, that all who suffer as I have could know what this wonderful Konjola has meant to me," said Mrs. Ruth House, 1029 Rittenhouse St., Cincinnati, Ohio. "It is for his reason that I make this statement; I feel that it is the least I can do to pay the debt of gratitude I owe to this marvelous medicine. I was weak and rundown, my general health was shattered as the result of indigestion, liver trouble and nervousness. I endured these painful and health destroying ailments for ten years, and not a medicine, not a treatment did me the least bit of good."

"Then came the most fortunate day of my life, when a friend, knowing of my condition, urged me to give Konjola a trial. Frankly, I had little faith, but I knew I must find relief somewhere, so I started taking Konjola, and almost at once I began to feel the effects of this magic compound. The poisons were swept from my system, and I could feel my general health improving. In three weeks a transformation had come over me. I could eat anything I liked, my complexion was clear, and I began to take on weight and strength. It is easy for me to understand why Konjola is known as the medicine with more than a million friends."

Konjola is different than any other known remedy in this section. It contains twenty-two juices extracted from natural plants which invigorate the stomach, liver, kidneys and lungs to a more healthy action. The effect of this Konjola on the entire system brings amazing relief in cases of suffering that has been going on for years. At the same time many weak and rundown systems have been restored to a new state of health through this compound. Such a vast number of men and women in this city have told of their experience with this new medical product, until now, Konjola is the most highly informed medicine that is known in this section.

Konjola is sold in Marion at Dr. James' Pharmacy, and by all the best druggists in the city. See the advertisement—Adv.

HOME ARTISTS ON CONCERT PROGRAM

Marked Success Won by Two Marion Musicians To Appear Here April 1

Miss Vivian Long, Marion soprano singer, who will give her first concert to her home town for some time, Monday night, April 1, at the Marion theater, had a successful period of study and final debut in Milan, Italy, while on her first stay of two years, in Italy.

Walter Long, Marion's "Fratello" in musical circles, who has gained widespread prominence through his broadcasting from WTAM, Cleveland, and as concert master of the Walter Long orchestra, will appear with Miss Long and a delightful program of music should result. The concert is being sponsored by the Marion Lecture-Benefit club and the Marion Civic Club, together with friends of Carlo, club, together with friends of Miss Long who are anxious that others may hear her voice before she returns to Italy, accompanied by her mother, Mrs. Walter Long, early this spring.

A repertoire of nine operas has been the result of only these two years of study, among them the role of "Gilda" in Verdi's "Rigoletto," sung with such success by Galli Caccia, "Lucia," "Pagliacci," and "Faust." Miss Long studied in Italy under Maestro Piccini, and will continue her studies with him on her return.

To the man
who thinks all motor oils
are alike

TWO PAIRS of shoes may look alike, fit equally well, and sell for the same price. But that's no sign they are alike.

Two kinds of oil may seem as much alike as twins. Yet vital differences in character appear at once when you check them point by point for

the 4 essentials of complete and proper lubrication

1. LOW CARBON CONTENT
2. NON-FOULING CARBON
3. IDEAL BODY AT ALL OPERATING TEMPERATURES
4. LOW POUR POINT

Thousands of automobile owners have found that one oil—Shell Motor Oil—meets these four requirements in every way.

Many otherwise good lubricants produce excessive carbon of a hard, flinty nature. But the little carbon which forms in an engine lubricated by Shell, is soft and fluffy—the kind which does not cling to motor parts but actually blows out with the exhaust gases. Regular users of Shell Motor Oil report a marked reduction in carbon removal

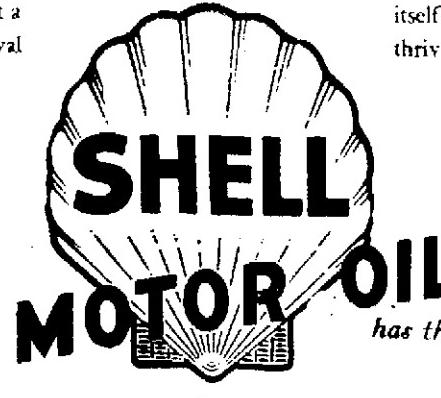

jobs... They enjoy amazing freedom from power losses due to carbon accumulations, "frozen" piston rings and pitted valves.

And because Shell Motor Oil has ideal body at all operating temperatures, users find it as safe at sixty miles an hour as at twenty. Shell Motor Oil won't break down.

With this body and stamina, Shell provides a low pour point to insure easy starting and immediate lubrication in cold weather. Motorists who depend on Shell don't have to risk changing to a lighter-bodied oil for winter service.

Shell Motor Oil is today's outstanding development in the science of automobile lubrication. Shell crude comes from hand-picked wells. Refined by the new and exclusive Shell-developed, low-temperature process. Never scorched, never weakened by the heat of ordinary refining practice. And tested 259 times to check and certify the rich, unvarying quality of every quart.

Make any test of that quality you want. Put Shell Motor Oil over the road in the hardest kind of service. Shell best proves itself by performance... thrives on comparison.

Session**

MT. GILEAD, March 8—Rev. W. R. Ellis, pastor of the Pleasant Grove church, was the speaker at the regular Thursday luncheon of the Mt. Gilead Kiwanis club in the Lottala Inn yesterday. The luncheon was held at 11:30 this week in order to avoid a conflict with the First Masters Banquet tonight, many of whom are Kiwanians. Rev. Ellis designated his topic as "The Race of Progress," pointing to the radical changes made in almost every line of development in the last few years. He pointed especially to the changes that have taken place in the past year.

Mr. Powers, who has been engaged by Lawrence to manage several road crews of the N. Y. C. lines here, was unable Monday to take up his new road foreman on the highway with his headgear. He made at Middleport, however, dinner followed by a meeting of the Elks club. Thursday evening the guest of honor was presented with a gold watch chain and a gold cuff link.

Mr. Powers, accompanied by Donald Gaa and Wurtenberger, arrived as expected on a number of occasions, with Mrs. Powers, excepting regret of the change in residence, Mr. Powers' success-

fully responded with a few re-

marks. Mr. McCarthy moved here only a month ago, and a few weeks ago, at Middleport, where he was em-

OTHER TWO SONS
DIE AS HOME BURNS

Two Other Children
in Serious Condition;
One of Blaze in Doubt

March 5—A mother and son were dead today when their home was taken by fire last night. The other children were safe. Mrs. A. J. and her two sons, 10 and William, were the victims. The woman's age is 38 and two children are Robert, one in a hospital here.

The remains of the three were found that they had been the blackened out of baskets.

Two miles from Marion, a house was destroyed by fire.

The blaze was caused by a wind. All were sleeping when the flames started.

BAPTISTS WIN OUTCLASS CHRISTIAN QUINTET, 39 TO 25

Intermediate Championship Settled at Y. M. C. A. When Epworth Drops Close Struggle, Next Senior League Contest Slated for Tuesday

BY BOB ELLIOTT

CENTRAL CHRISTIAN Southerners are busy clearing the remains of the wreck that occurred last night when they met the Trinity Baptists five champions of the second half of the league, in the first of a three game series to determine the champion of the entire set-in Christian took the first half of play but lost to the Baptists in the second round. The score of the slanting last night put on at the Y. M. C. A. was 39 to 25, which even then didn't begin to show the superiority of the Baptist machine.

It wasn't even a faint resemblance of the team that won the first round that the Christians put on the floor last night. They were passing bad and missing what shots they did make to get past the Baptist defense. Cliff Ward was the only Christian player who showed anywhere close to his natural form.

Next Tuesday night the teams meet in the second game of the series and unless the losers in last night's game can get back into their real form on the job vice Baptists promise to make plenty of whoopee and at the same time take the city Sunday school championship.

Robert Merchant, Baptists all league guard gave a good exhibition of why he was put on the team and Charlie Osterholz gave no good excuse for being placed on the first mythical five. Merchant, who was assigned the task of guarding Goose Geysler old that in a creditable manner holds him to three buckets and at the same time managed to ring up seven field goals himself to lead all the individual scoring in the game. It was one sweet game that Mr. Merchant put on for the benefit of the Christian quintet and how they enjoyed it! He was here there and everywhere breaking up plays and then going down on the quickly forming offense to score more baskets.

Mr. Merchant was ably assisted in the job of honor by another Mr. Merchant this time the well known Watt Little Watt taken and shot his way to four two pointers and one free throw. Happy Applequist Capital center caused the losers no little embarrassment and spelled a perfectly good evening for Johnnies Gillis. Center Gillis was held to two points which is quite the lowest that that gentleman has scored in one game in a long time. On the other

BAPTISTS WIN FIRST GAME OF SERIES

Johnson Expects No Trouble Managing Senators

NEWARK EXPERIENCE WILL BENEFIT NEW DIRECTOR OF TEAM

Walter Wants "To Be One of the Fellows" This Year

BY JAMES L. KILGORE

TAMPA, Fla., March 8.—I have learned a few things about running a ball club. I don't expect to have the team managing Washington next year. I had handling Newark in the International League last year. I guess I was too easy.

Walter Johnson, formerly the greatest pitcher in the American League and now manager of the Washington Senators, made this statement to the writer today as he stood back of the pitching box in Tampa ball park and watched his rookies swinging at fast ones and curves. He was even ready with a word of encouragement or a complimentary remark. And the players seemed to like him.

I had been as a manager when I took Newark over last year, said Johnson. I have some pretty hard fellows to deal with. Now I don't like to tear down on anybody and I'm not much of a driver of men. So I suppose I was too lenient and several on the Newark club talk of wanting of my attitude. Three of the Newark players were on the suspended list when the season closed.

* * *

NOT A DRIVER

I WANT to be one of the fellows. As far as the Washington club is concerned, I am not going to drive my men because I don't think that is good policy in baseball or any line of endeavor. I know some of the greatest managers were known as drivers, but they would not have been successful had they not had the best players. The place to win ball games is on the ball field, not in the club house or anywhere else.

I am not going to set up a lot of rules and tell this club they must do this or they can't do that. I want them to be men and give their best efforts to the team.

If they don't they will find that I am not going to stand for the men's business. I think my Newark experience is going to help me a lot this year. I am not going to take as much as I did last year.

BASKETBALL

A SEED his position on the question of ball players going in exclusively for golf, Johnson replied:

It's got to be baseball first. I am not going to stop them from playing golf but if I had that, golf is interfering with their baseball I will. Why? I've had a couple of ball players who had a fast walking, during morning practice and after, they tossed a ball around for 30 or 40 minutes, they need for the golf course. That had to be stopped.

"I like to play golf as well as the next but I don't like golf as well as baseball. I have more practice during the spring, training season and if any of the fellows want to play golf in the afternoon I am for it. I think it is much better than other things they might do."

But once the regular season starts I will forbid morning golf. I don't want my players tired when they show up to play base ball in the afternoon."

Johnson, a 31-year man with powerful shins, seems to be in splendid physical condition. Asked if he could fit in 10 pitches any games for Washington this year, he said he had not been planning to but that he will be in shape to twirl a few games if any emergency arises. He said his aim is the greatest in the league, if not in the history of the game, to be the "Whiz Kid" going across the plains to the rookies and they were plenty fast. The old boy on the head line is still there.

BIG 10 INDOOR MEET OPENS IN IOWA CITY

250 Athletes of Western Conference Entered in Competition

IOWA CITY, Ia., Mar. 8.—Proceedings in the 33rd annual indoor track and field championship of the Big Ten conference were to be run off in the University of Iowa field house here tonight. More than 200 athletes are entered in the competition.

There are a score or more qualifying heats in the pole, high, discus, 100 yards and 100 yard events to be set up before the eleven championships can be decided tomorrow night.

Nine individual titles one relay and one team champion ship will be at stake.

Three of the four events of the meet will be the invitational with Iowa City, the Big Ten and Chicago giving an edge on the remaining contests.

Little is known of the this year's Michigan team as the Wolverines have not participated in any of the dual meets to date. Steve Farrell will be at the helm and the creative Michigan will best watching.

George Spader of Ohio State will be defending a 60-yard dash record and George Bush of Iowa a member of last year's Olympic team will seek to retain his quarter-mile dash in the long jump. Oral Martin of Purdue is contender of the half mile mark.

Training Camp News Bits

CARDS VICTORIOUS

ST. LOUIS, Mo., March 8.—The Cardinals were here today to resume their series with the Cincinnati Indians. The Red Birds shutout the A's yesterday 2 to 0 at Alvin Park.

MCWEELEY SIGNS

COLUMBUS, Fla., March 8.—Having induced pitcher Buzz McWeeny to sign for \$12,000 per year, Manager Belmont of the Brooklyn Robins today signed his gun on the other holdout, Dazey Van. The strikeout king has retracted his claim in Homestead, declining to let up his search for less than \$22,000 in their limit.

Van said he thought he should be paid extra now for those last year's several seasons ago when he received a comparatively small salary.

McWeeny capitulated after holding out all week for \$1,000.

REGULARS WIN

84 ELKHORN, Ia., March 8—Elkhorn Indians' Yannan came out for revenge upon the Yankees regulars today having lost their second straight yesterday by a 7 to 3 score. Durst and Koong collected three hits apiece.

GODS LOST 6-2

DALLAS, Tex., March 8.—The Gods arrived today under their set and straight defeat at the hands of the White Sox regulars. In seven, was 0 to 2. Ted Winkler was the losing pitcher. Lundy the Sox start their exhibition series with the Dallas Steers.

PRI-PARL FOR TEAMMATES

NEW ORLEANS, La., March 8.—The Cleveland Indians pitchers were to give their hurling arms a little more action today in preparation for the arrival of the Indians, the outsiders Sunday. Yesterday the Indians were drilled by Manager Roger Peckinpaugh in the art of laying down bunts and this will be further stressed today. The big worry in the Indian camp today is the continued absence of Johnny Hodapp, infelder, who says he will not play ball this season unless his terms are met.

HIGH SCHOOL FIVES PLAY AT SIX POINTS IN DISTRICT MEETS

84 Teams To Be Cut to 16 for State Tourney Next Week

HIGH school basketball teams throughout the state gather at six different points today for the semi-final games in preparation for the state championship to be held at Columbus next Friday and Saturday.

A total of 84 teams are assembled at the six points for the district tournaments. Forty Class A teams and 11 Class B make up the roster.

Linday is host to the northwestern tournament, Akron to the north eastern, Dayton to the southwestern, at Dayton Roosevelt high school Dennis to the eastern, Ohio Wesleyan university at Delaware to the central district, and Ohio university at Athens to the southeastern district.

Survivors To Play

Survivors of these tournaments eight teams in each class win the right to represent the district in the state trials at Columbus next week.

Stevens high of Dayton, Class A champion, is expected to have it out with Woodward of Cincinnati at the Dayton meet although Steve Riser and Chamade all of Dayton are strong contenders.

Campers of Garfield high of Akron city champs there are expected to come through in the northwestern meet.

First Liverpool is a strong contender at Dennis but has stiff opposition at Dover and Zanesville. Columbus Central which won the runner up title for the state last year seems to be having things its own way at Delaware and is sure to reach the finals.

Between You and Sandusky

Lowell Green and Sandusky are fighting it out in the northwestern section, although Lima St. Rose will turn in 117 seconds in winning this race. Kamela of Elkhorn, McLean, Richwood forward was the only home town player who could catch him. Marion teams referee. The record for the Central collegiate meet in Chicago last June in winning this event he made the last time he has ever turned in 117 seconds. In winning this race Kamela of Elkhorn, McLean, Richwood forward was the only home town player who could catch him. Marion teams referee. The record for the Central collegiate meet and for the Texas relays are held by Kamela as a result of victory last year. He also was a hurdle winner at the 1928 Illinois relays.

The pairings for the first round are as follows:

BEWARE OF DIETS
WITHOUT BULK

Kellogg's ALL-BRAN Will
Protect You

People are more careful than ever before about diet. They diet to clear complexion. They avoid certain foods to stay thin. They eat others to get fat. But many are running a serious danger because they are missing the "roughage" or "bulk" foods that every person must have to keep well.

As a result, constipation gets in its deadly work. Headaches, listlessness, tired eyes are only the first symptoms. In the end, constipation ruins health, wrecks beauty and may cause serious disease.

Don't neglect your daily roughage. That is nature's rule. Kellogg's ALL-BRAN will supply it. A health cereal to eat each day. To use in cooked dishes or to serve with milk or cream. To mix with other cereals.

ALL-BRAN is guaranteed to relieve constipation—to prevent it. Two tablespoonsfuls daily, chronic cases, with every meal. It is 100% bran. Doctors recommend it. Your grocer sells it. Served by hotels, restaurants, dining cars. Made by Kellogg in Battle Creek.

Now!—An Utterly New
Way in Home Washing

That Ends Both Soap Fade—"Soap Eat" of
Fine Things Regardless of How Often Washed

We washed one of these cobwebby chiffon stockings 31 times, with ordinary soap and found that its color still matched that of its mate.

Gold encrusted chinaware washed 334 times with ordinary soap, without loss of dishpan wear or fade.

Stops Ruining Fine Things—Cuts Washing Time One-Half or More

NEW light has been thrown on saving fine fabrics from run and fade and fine china from dishpan wear, that often saves the average family hundreds of dollars yearly and the housewife countless heartaches.

A fadeless way of heavy washing has been found. A way that makes the worst hard water and ordinary household soap into a perfect NO FADE cleanser.

Fine lingerie is washed 50 times or more—without noticeable fade. Expensive linens saved from fade and wear almost unbelievably. And results are proved before this new way goes to you.

What It Is

It is a preparation called CLIMALENE that you add to your washing water. Just a tablespoon or two. Instantly it takes all the harshness out of that water. Makes it soft as rain water. So soft that it does the work with ONE FOURTH the soap you use now. And thus ends danger of soap eat to fragile things.

At the same time due to certain bland cleansing agents it instantly DISSOLVES all dirt stains and

grime. And thus cuts washing time, too—in either dishpan or washing machine—ONE HALF or more.

Use the soap or soap flakes you ordinarily do. Then see for yourself the amazing results. Some 2 million women now are using CLIMALENE—for washing cleaning and in the dishpan.

Laboratory Proved

To assure results to you we buy fine things, linens and delicate fabrics. Then by repeated washings test to spoil or fade them.

We wash delicate lingerie, often 50 times—with perceptible fade. Children's rompers, 60 to 90 times. That's over a year's home washing.

We wash gold encrusted chinaware hundreds of times without a trace of gold gone. And thus prove the blandness of this way.

Consider, please, what those things mean to you. Consider, too, that the minute you put this crease into water, all harshness is taken away—your hands protected from roughness, made soft, smooth and white. Then try it.

Remember the name—CLIMALENE. Your grocer has it in 10c and 25c packages.

CLIMALENE

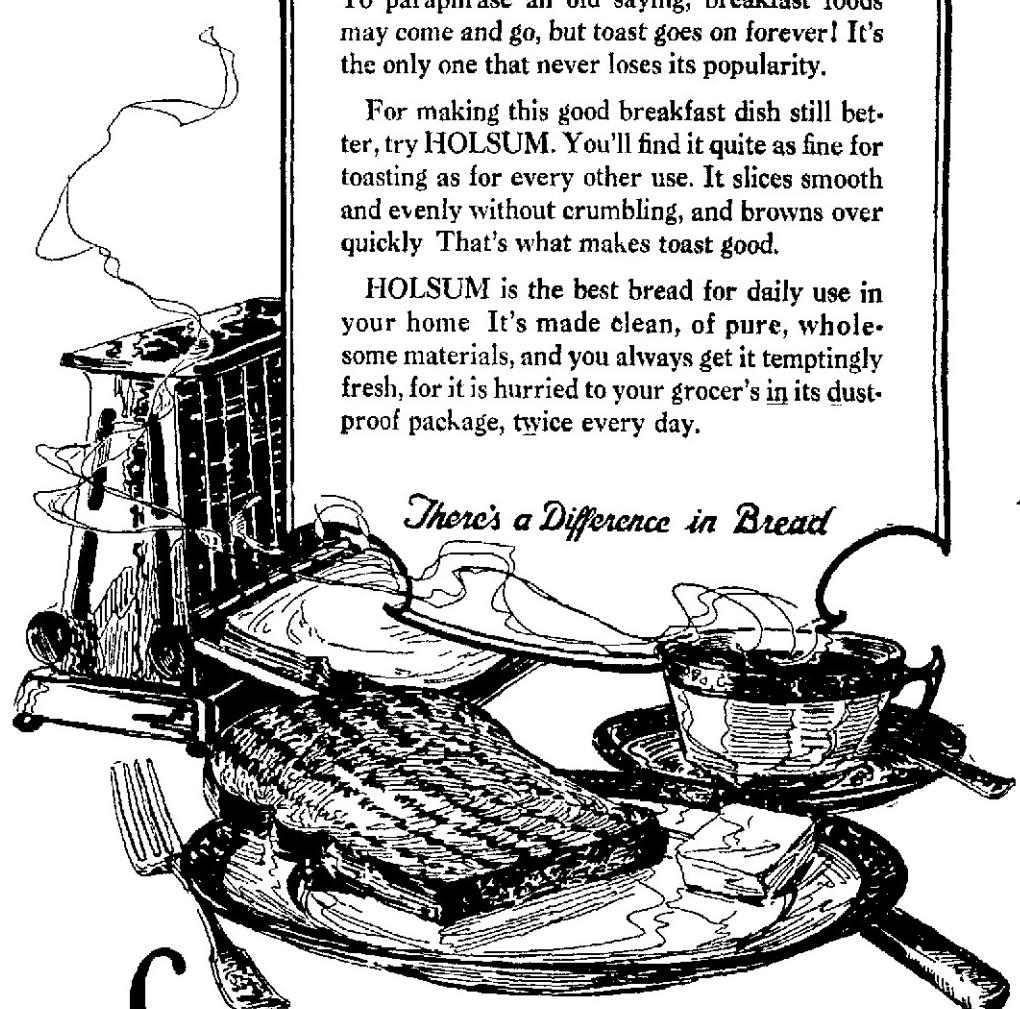

THE CLIMALENE CO. CANTON OH

—for Better Toast!

To paraphrase an old saying, breakfast foods may come and go, but toast goes on forever! It's the only one that never loses its popularity.

For making this good breakfast dish still better, try HOLSUM. You'll find it quite as fine for toasting as for every other use. It slices smooth and evenly without crumbling, and browns over quickly. That's what makes toast good.

HOLSUM is the best bread for daily use in your home. It's made clean, of pure, wholesome materials, and you always get it temptingly fresh, for it is hurried to your grocer's in its dust-proof package, twice every day.

Scour the pans!
but they won't come clean.

Why? The water is hard. And instead of nice, sudsy water there's a greasy ring around the basin. The soap has mixed with the hard water to form scum. And the scum goes on the wash cloth and smears the pans.

Water softened with Melo is different. It will clean. Scour the pots! Scour the pans! But do it with soft water. Get a can of Melo today at your grocer's.
